

Shenzhen Sinoco Lighting Technologies Co., Ltd.

LED high bay light

产品特点

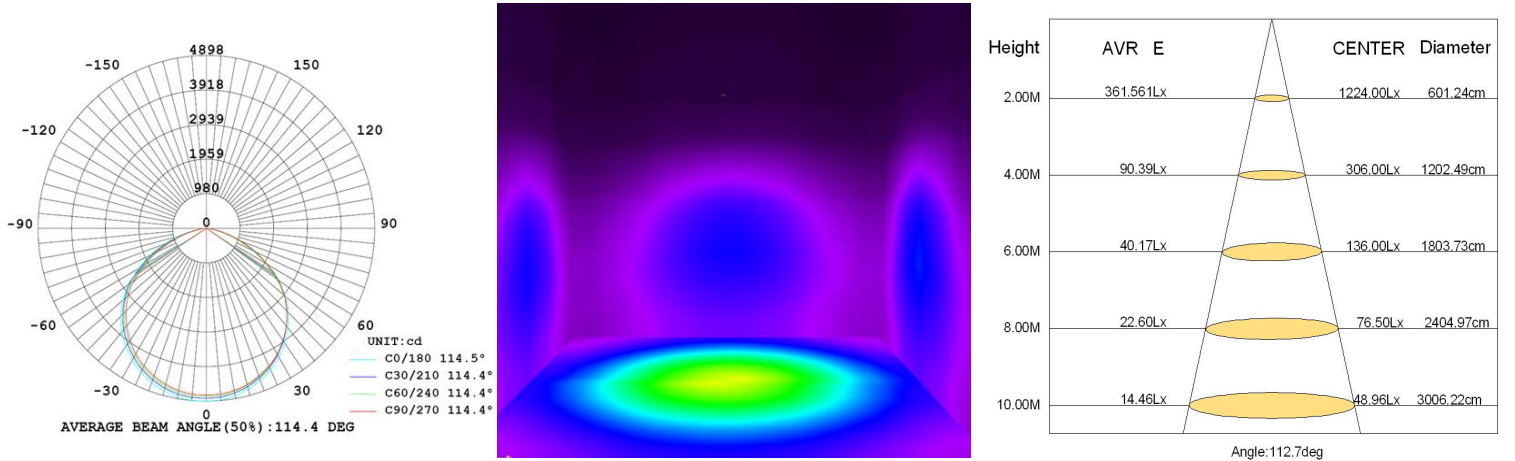

- ◇ Meanwell HBG series driver.
- ◇ Nichia 3030 LED chips, Luminaire's efficiency up to 120-135Lm/w.
- ◇ Easy installation, saving much labor cost.
- ◇ Widely used in factory, warehouse, parking lot and other large lighting area.

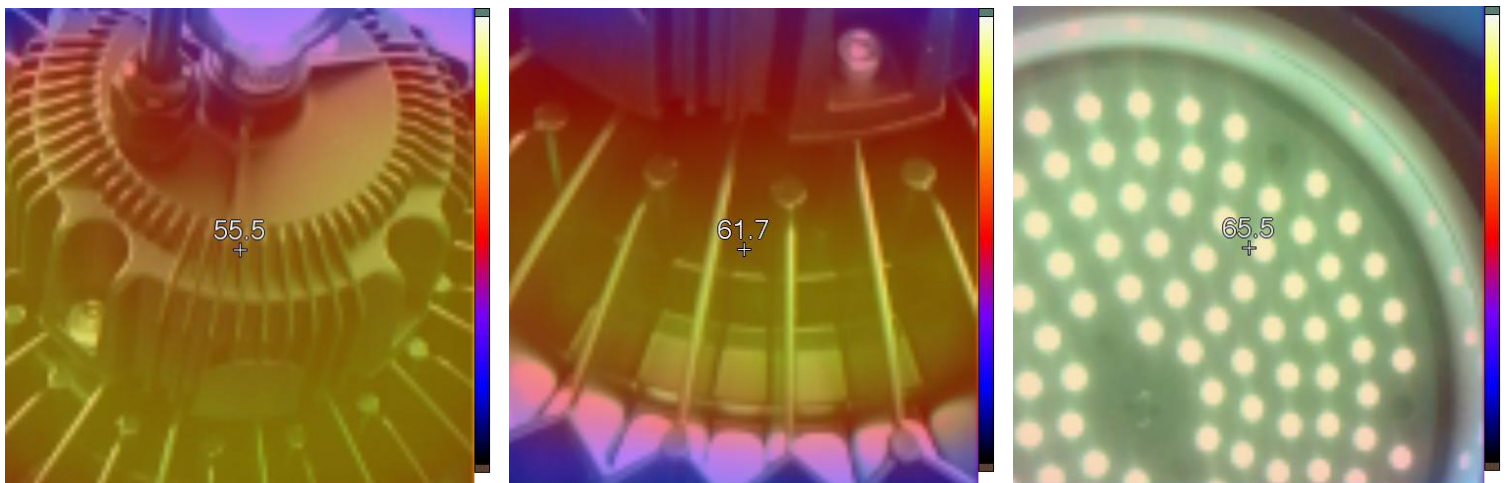

Parameter

Model No.	ST-HBN-100W			Lifespan	25000h
Power	100W	PF	>0.95	Weight	3.5Kg
Input Voltage	AC100-277V 50/60Hz			Fixing way	Chain, Steeve, U-shaped bracket
Size	D280*H185mm			Working temperature	-20-+ 50°C
Light source	AOT3030/204PCS			Working humidity	relative humidity < 85%
Color temperature	3000K/4200K/6500K/7200K			Luminous flux	13446Lm
Beam angle	120°			Ra	≥70

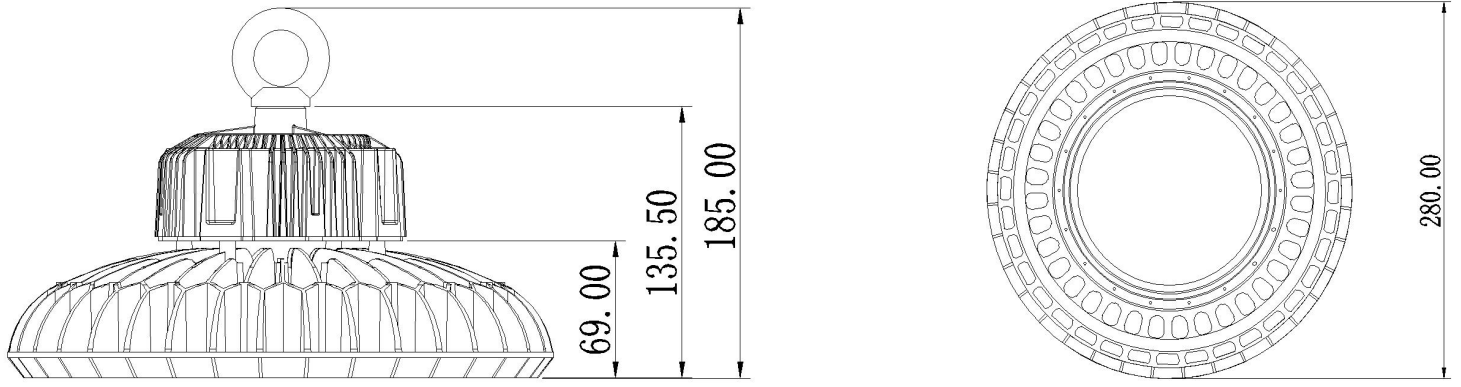

Optical parameters:

Product temperature (TA: 25°C Units: °C ε = 0.95):

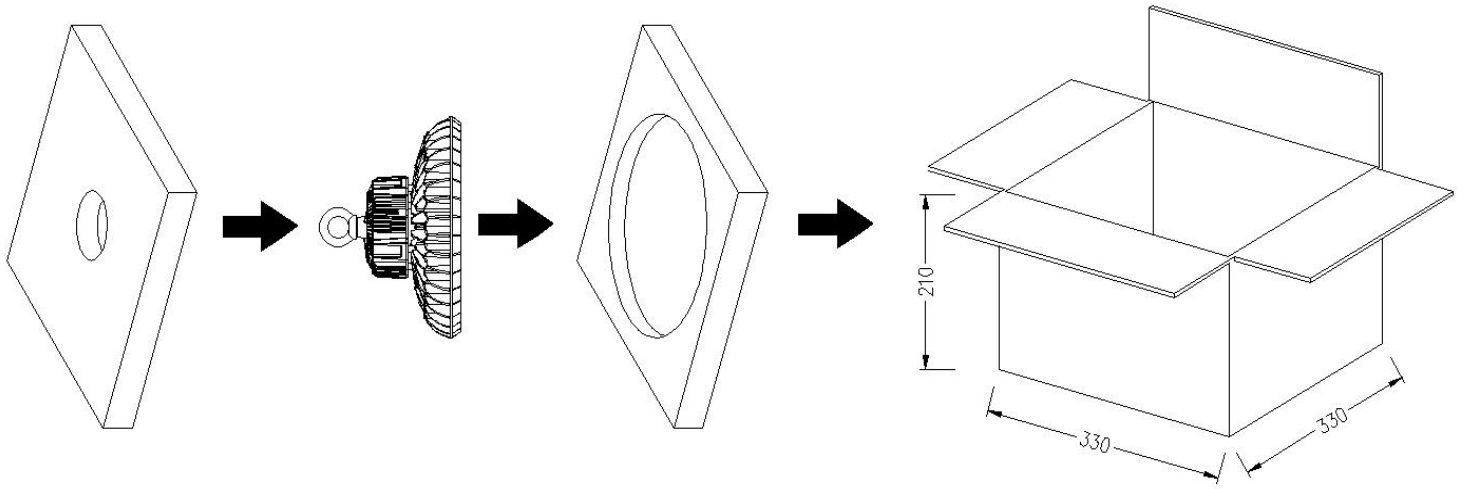

Dimension: (mm):

Packing:

Carton size: 33x33x21cm, 1pcs/carton

Application effect:

Installation note:

- 1.The installation personnel must have the relevant qualification.
- 2.Ensure the power is off before installation
